

## **FISCAL NOTE**

### **SB 1176 - HB 1029**

February 23, 2001

**SUMMARY OF BILL:** Allows an local education agency (LEA) to issue a high school diploma to an eligible deceased veteran, upon request of such veteran's surviving spouse, if any, or other immediate family member. Such veteran would be considered eligible if he/she failed to receive a diploma due to an interruption of their education by service in World War II.

### **ESTIMATED FISCAL IMPACT:**

#### **MINIMAL**

This legislation is permissive on LEAs. However, it is estimated that any cost to the LEAs for staff time for the preparation and issuance of this diploma would be minimal. Estimate assumes few requests would be made.
